23rd National Rebuilding Day – April 28 & 29, 2012

Sponsorship Levels and Benefits

SPONSOR A REHABILITATION PROJECT WITH REBUILDING TOGETHER MONTGOMERY COUNTY

Offer your group a rewarding teambuilding and leadership experience through volunteerism

MAKE a visible impact in your community

The Opportunity

Rebuilding Together Montgomery County (RTMC) sponsorships provide community-minded companies, foundations, service organizations, and congregations the opportunity to partner with a local nonprofit that has a long and successful history of restoring Montgomery County neighborhoods. RTMC's National Rebuilding Day provides hands-on repair projects that are ideal team-building experiences for your employees or members. They include a point person to ensure that your sponsorship and project needs are met, a workday experience for 10-30 persons, on-site signage, and t-shirts for all volunteers. They also provide tangible marketing experience such as listings in RTMC newsletters, website recognition, advertising placement and press release opportunities.

The Commitment

Sponsors provide financial support along with a volunteer team that includes a team leader called a House Captain. While it is preferred that sponsors provide project volunteers, it is not mandatory. RTMC is committed to providing a meaningful, well-organized experience and will identify your project and train and support your volunteers throughout the entire process. Sponsorship levels are designed to meet the needs of every sponsor.
