### **Rebuilding Together's Second Annual RT Honors Reception**

Montgomery County, MD, March 15, 2007 – Rebuilding Together \*Montgomery County, Inc.

On Thursday, March 15, 2007, Rebuilding Together Montgomery County (RTMC), an affiliate of the nationally based volunteer organization, will present the “RT Honors Community Service Award” to Alan Richardson, President of Potomac Valley Brick, at its second annual RT Honors Reception. He will be recognized for outstanding corporate support in helping to rebuild the homes of those in need, particularly the elderly and disabled.

Scheduled speakers include Congressman Chris Van Hollen, County Councilwoman Nancy Floreen, and Rebuilding Together's National President/CEO Gary Officer.

RTMC has over 17 years experience coordinating volunteer home repair efforts for those who can no longer physically or financially maintain their own homes. Mr. Richardson's support enables RTMC to prevent the deterioration of housing stock, maintain affordable housing options for low-income home owners, and prevent accidents and hospitalizations through home modifications.

Potomac Valley Brick is the leading supplier of masonry products in the Washington-Baltimore metropolitan area servicing commercial, institutional and residential clients.
